

Acquired Rights Scheme: Guidance

As part of the new Marshals' Development Pathway, Motorsport UK has set up an acquired rights process to enable those who may not have previously registered, or have chosen not to upgrade, to have their knowledge, skills and experience recognised by a more suitable grade of registration.

To qualify for a higher grade of registration under the acquired rights scheme, you must supply the information detailed on page 2 to your Club, who will then complete the necessary Club declaration or nomination letter and forward all of the documents to Motorsport UK. Acquired rights applications will be dealt with on a case-by-case basis.

This document contains:

- Details of the acquired rights process (Page 2)
- A Club declaration template (Page 3)

Applications under this scheme must be submitted to Motorsport UK by the 31st December 2023.

Should you have any questions about the process, please contact marshals@motorsportuk.org and we will be happy to help.
