Proposed Regulation

Chapter 6 – Licensing

6. Assumed Name

- 6.1. If **Registration** and a **Licence** is requested under an assumed name or a pseudonym special application must be made at the time of applying for **Registration**. The **ASN** may at its sole discretion issue a **Licence** in such a name, **and shall only be permitted where:**
- a. The applicant provides **ASN** with evidence substantiating a genuine reason for requiring the pseudonym; and
 - b. The proposed pseudonym must consist of two names and be reasonable in the opinion of the **ASN**. Any assumed name must not be likely to deceive or offend.
- 6.2. A person granted a **Licence** in an assumed name shall not take part in any **Competition** except under the name shown on such **Licence**.

Date of Implementation: 1 January 2027

Reason: This amendment clarifies and strengthens the provisions governing applications for Licences under assumed names or pseudonyms within the National Competition Rules. It provides clearer criteria to ensure consistent application in practice and provide applicants with greater certainty regarding the process.

The revised wording introduces clear and objective conditions that must be satisfied before a request will be considered, including the requirement to demonstrate a genuine need for the pseudonym and to ensure that any proposed name is reasonable and meets the formatting requirements.
